Notification No. 10862—*Edn.* 10-15-45, *dated 4th May* 1918.

The following revised rules for the award of Secondary School-Leaving Certificates sanctioned by Government are published for general information:—

RULES.

I. *To whom awarded.*—These certificates may be awarded on the completion of their school course to boys or girls who—

(1) have attended one or more recognized secondary schools from at least the fourth form upwards;

(2) have attended each of the fourth, fifth and sixth forms either for not less than sixty per cent of the number of working days in each term and for not less than 120 working days in each school year, or for not less than 75 per cent of the number of working days in each school year, unless specially exempted by the Board, such exemption being, however, granted only in the case of candidates who have attended the school regularly, but whose attendance falls short of the required minimum by only a few days.

II. *By whom awarded*—

(1) The certificate shall be awarded by a Board consisting of the Inspector-General of Education as *Ex-officio* President, six officers of the Government Educational service and six others and the Secretary.

(2) The members of the Board shall be appointed for a period of three years and shall be eligible for reappointment.

(3) The members and the Secretary of the Board shall be appointed by Government.

(4) The Board shall arrange for the award of the certificate in accordance with the provisions of the scheme.

III. *Scope of the certificate.*—The certificate shall take into account the school work done by the pupil from the fourth form upwards, and shall also contain the final marks as moderated by the Board. It shall show exactly what subjects pupils have studied and discriminate fairly between one pupil and another as to the benefits each has received from the school course.

(2) The application of no pupil shall thus be forwarded whose age is less than fifteen years unless the pupil will complete the age of fifteen years on or before the 30th June in the year in which the examination is to be held.

(3) A fee of Rs. 12 shall be sent along with each pupil's application.

(4) The public examination will be written examination conducted by the Board and will include:—

A. English.
B. Second language.
C. Elementary Mathematics.
D. At least two of the optional subjects.

(5) It will be held at such places and on such dates as may, from time to time, be notified.

(6) The Board shall be competent to moderate the marks obtained in the school and at the public examination. The marks obtained at the Public Examination, the moderated marks, and the final marks obtained after such moderation shall be entered by the Board in the certificate book.

VI. *Award of the certificate.*—(1) The certificates thus filled in and completed, shall be returned by the Board to the Headmaster of each school for delivery to those who are leaving the school.

(2) The certificate of a pupil who is not, in the opinion of the Headmaster, competent to appear for the public examination shall, if he is leaving the school, be endorsed to that effect over the Headmaster's signature on the page relating to the term, and handed over to the pupil.

VII. *Supplementary certificates.*—(1) Candidates seeking supplementary certificates, who have already obtained in any one group (compulsory or optional) satisfactory marks as recognised by the Board need not be required to attend the school course and the public examination in that group. [This rule applies to candidates who fail in the Public Examination of 1918 and subsequent years.]

(*Note.*—Students seeking admission to colleges affiliated to the Madras University will, however, have to undergo a supplementary course in all the subjects as required by the Madras Rules.)

21. Trigonometry.
22. Hygiene.
23. Agriculture.
24. Short-hand and Type-writing.
25. Precis Writing and Indexing.

IV. *Preparation of certificate.*—(1) The certificate shall be in the form shown in the appendix to this scheme. Every pupil on entering a fourth form shall be provided with a blank certificate to be kept in the custody of the school so long as he remains there, the entries in the certificate for each term being made in due course by the Headmaster.

(2) The results of school work done shall be entered against each subject taught in the school in the form of the number of marks gained out of a maximum of 100 for each subject, except in the case of athletics and games and sloyd or drawing where a brief remark will be entered.

(3) The school work of a year in which the pupil is not promoted to a higher form shall not be taken into account; and no term certificate shall be accepted which is not gained in one and the same school, except by special permission of the Board.

V. *The public examination.*—(1) Towards the end of the course in the sixth form, the Headmaster shall forward to the Secretary to the Board not later than the 20th December preceding the examination applications in the prescribed form, of such of his pupils as wish to complete the certificates by appearing for the public examination conducted by the Board and as are, in his opinion, competent to appear for that examination.

The subject of study will be those specified in Group A and at least two to be selected out of Groups B and C; provided that in the case of candidates wishing to take up a collegiate course, two of the electives shall be—

(1) Physics and Chemistry and (2) Algebra and Geometry

No. 10779—*A. & E.* 171-17-3, *dated* 3*rd May* 1918.

Under Section 3 of Regulation No. VI of 1917 to prevent the spreading of Plant Disease, Government are pleased to declare the marginally noted areas as places infected with an insect pest locally known as Kamblihula (Amsacta albis-triga) and to issue under Section 4 of the abovenamed Regulation the following rules for the treatment and control of the pest.

Hobli.	Taluk.
1. Burmanayandrug ...	Holalkere.
2. Santebennur ...	Channagiri.

Rules for the Treatment and Control of Kamblihulas (Amsacta albis-triga.)

1. As soon as the earliest mungar rains have fallen a diligent search is to be made daily in the morning or evening for the Kamblihula moths which are to be picked and placed in a vessel containing water with a small quantity of kerosene floating on the surface. All moths so collected will be handed over to the patel of village for inspection by the Fieldman in charge of operations in the village.

2. Each raiyat or landholder must arrange for daily collection of moths on his own lands.

3. The work in each village will be under the charge of a fieldman of the Agricultural Department who will keep a record of work done on each holding and of the number of moths picked.

4. In cases where raiyats or landholders neglect to carry out the above operations a report will be made to the Amildar unless delay is likely to prejudice the operations in which case the fieldman in charge of operations in the village will make the necessary arrangements to pick the moths and intimate the cost to the Amildar. The Amildar will arrange to get the work done by the raiyat concerned but if he fails this may be done by Government Agency and the expenses incurred will be charged to the raiyats or landholders concerned and collected as arrears of land revenue.

5. Payments will be made for the moths picked at rates fixed by the Director of Agriculture but the total amount paid for picking work in any one village shall not exceed Rs. 20.

6. Picking will continue for 45 days or until such time as in the opinion of the officer in charge there is no danger of further emergence of the moths.

7. Villages in these hoblis which are in the opinion of the Director of Agriculture not likely to suffer from the pest will be excluded from the operation of the Regulation.

8. Copies of circular giving full information with regard to the pest and the measures to be taken against it will be distributed to the raiyats of the villages concerned not later than the 10th May 1918.

9. The Officer in charge of the operations will be stationed at a central place (Sasalu) throughout the period during which combative measures against the pest have to be continued. He will visit the villages and will explain to the raiyats in detail the requirements for effectively dealing with the pest, the labour required, the period during which operations will have to be carried on and all other information necessary for the efficient control of the pest.

No. 10818—*A. & E.* 171-17-6, *dated* 3*rd May* 1918.

Government are pleased to declare under Section 3 of Regulation No. VI of 1917 to prevent the spreading of Plant Disease, Avadi village in Karur hobli of Sagar Taluk, an area infected with koleroga of the arecanut (Phytophthora arecae) and publish under Section 4 thereof the following rules for the treatment and control of the plant disease referred to above.

Rules for the Treatment and Control of Koleroga of the Arecanut.

1. Before the break of the south-west monsoon all diseased and dead bunches of arecanuts should be removed from the trees and ground in the gardens and burnt.

2. During the first week in June or as soon thereafter as possible all the arecanut trees in the village should be sprayed with Bordeaux mixture prepared according to the instructions of the Agricultural Department. A second spraying should be done when a favourable opportunity occurs in late July or early August.

3. Should the disease appear on isolated trees the diseased bunches should be removed promptly and burnt.

4. Supervision of these operations will be provided by an Officer of the Agricultural Department who will be stationed in the taluk for the purpose.

5. In case where raiyats or landholders neglect to carry out the above operations a report will be made to the Amildar unless delay is likely to prejudice the operations in which

case the fieldmen in charge of operations in the village will make the necessary arrangements to check the spread of the disease and intimate the cost to the Amildar. The Amildar will arrange to get the work done by the raiyat concerned but if he fails this may be done by Government agency and the expenses incurred will be charged to the raiyat or landholders concerned and collected as arrears of land revenue.

6. Where operations are carried out according to the instructions of the Agricultural Department, half the expenses will be borne by Government.

No. 10891—*I. & C.* 205-17-15, *dated 6th May* 1918.

It is hereby notified for general information that all applications by Coffee Planters in the Mysore State for licenses to export coffee overseas should be sent to the Secretary to Government, Departments of Education and Agriculture, through the Mysore Chamber of Commerce.
